**Statement of Activities**

On May 5, 2015, Staff conducted a review of the 2014 Annual DOT Transmission Report submitted to the ICC by Gallagher Drilling Inc. The review is required to determine compliance with applicable IL Adm. Codes and the Code of Federal Regulations adopted via IL Adm. Part 590. A review of their initial annual transmission report conducted on 3/17/2015 determined they had the distribution box marked in Section C of the 2014 annual report submitted for review. This has been corrected and a supplemental report was submitted to PHMSA on 4/20/2015. Gallagher sold off the distribution facilities to Liberty Utilities in late 2013. There was also a reduction in total pipe mileage between 2013 and 2014. Gallagher Drilling abandoned piping associated with a storage field they shut down and abandoned in late 2013.
